To whom it may concern,

I had the privilege of working with Jay Johnson through his relationship with SCORE. Jay and I worked with multiple clients across most industries assisting them with business startups, business growth and expansion. He proved to be a wealth of knowledge both to myself and the business owners that we served.

In my role as the Program Coordinator with Pasco EDC, we are tasked with coaching and mentoring Entrepreneurs in our community as well as providing various educational programming. Jay was instrumental in assisting me with several of these programs including the monthly Roundtable Session. Due to his extensive knowledge and expertise, I asked Jay to sit on our West Pasco Entrepreneur Center Advisory Committee to give us guidance and feedback to better serve the community. He proved to be a huge asset to this organization and is very hard to replace.

Thank you,

Jennifer Ziegler, Program Coordinator
